Subject: Accessing STAAR Results

We were under the impression that all STAAR results were available to parents following the steps below. However, at this time only the 5th, 8th, and EOC reports are available. Hopefully, the other grade levels will be accessible next week. Sorry for the inconvenience.

- 1) Visit [TexasAssessment.Gov](https://www.texasassessment.gov). (You may type the address in your browser or you can copy and paste it.)
- 2) Click "Find My Access Code" & log in.
- 3) Review your child's STAAR results and the personalized resources to support learning at home.
- 4) At the beginning of the school year, discuss the results with your child's teacher and work together to support your child's learning.

If you have any questions, you may contact the school.

Thanks,
